

**January 2007**

***Berkeley Unified School District Implements CookenPro®***

Ann Cooper, Director of Nutrition Services for the Berkeley Unified School District, selected CookenPro® to replace the school's current nutritional software. Her mission: *"to wean the Berkeley public schools off their diet of frozen, processed, trans fat- and sugar-filled foods, and onto fresh fruits and vegetables, whole grains and other nourishing foods."* Read more at [www.lunchlessons.org](http://www.lunchlessons.org).

Additionally, CookenPro® will be used for inventory control, purchasing, ordering, receiving, and warehousing.

The new CookenPro® 3.21 release has many new features, including nutrition features specifically designed to meet the USDA Children's Nutrition program requirements. Read about all the features at [www.cooken.com/UpdateCommercial.htm](http://www.cooken.com/UpdateCommercial.htm).

***Please Visit Us at The Catersource Tradeshow***

January 28<sup>th</sup> to February 1, 2007

Booth **6090**

Sands Expo & Convention Center, Las Vegas

Booth times are January 30<sup>th</sup> 12:30 – 5:30pm and January 31<sup>st</sup> 9:30am – 2:30pm

Barrington Software will be demonstrating BSI Cater and CookenPro® at the Catersource Tradeshow. *"The catersource Conference & Tradeshow is the only catering industry specific show in the United States as well as the fastest growing show of its kind."* Read about it at [www.catersource.com/index](http://www.catersource.com/index). Come and compare Barrington Software to the competition.

***Did You Know?***

Sales in BSI Cater can be sent to CookenPro®, deducted from inventory, and sent on to QuickBooks.
